Southern is the first Hays Group client to receive the award

DESTIN, Fla. – April 3, 2019 – Southern Management Group was recently recognized for outstanding safety standards by workers' compensation company FFVA Mutual. The Safety Award is given to 12 clients per year, and Southern is honored to be selected as one of the 2018 recipients. Southern's insurance policy is brokered through Hays Group and carried out by FFVA, who services 4,200 workers' compensation policies across multiple states.

Southern was nominated for the award by FFVA Safety Consultant Arian Collick. Through opportunities to attend safety meetings, seminars, webinars, and workshops, Southern's employees are kept up-to-date on workplace safety measures and knowledgeable of smart practices.
